

## MOTIP Stainless Steel Cleaner

Ord.-no.: 090503, 290503

### Technical Information

Clean stainless steel parts such as tubs and machines and protect them against new dirt with MOTIP Stainless Steel Cleaner. Its unique formula enables a thin protective film to be formed, which prevents the build-up of dirt.

#### Quality & properties

- Restores and intensifies the gloss
- Lasting protection
- Excellent cleansing properties
- Good corrosion prevention
- Non polishing
- Misty spray pattern
- User-friendly
- 360° valve

#### Physical & chemical data

- Base: Synthetic oil
- Colourname:
  - ◊ no colour
  - ◊ transparent
- Smell: Lemon
- Surfaces: Micro waves, Refrigerators, Extractor Hoods, Counters, Garden Lightning, Terrace Heating, Machinery
- Minimum Working Temperature: 10 °C
- Maximum Working Temperature: 25 °C
- Spray rate: 1,18
- Vapour pressure: 3500/20 bar
- Relative density: 0.74 g/ml
- Storage stability: 10 y
- Content:
  - ◊ 500 ML
  - ◊ 200 ML

#### How to use

- Before use, carefully read the directions on the packaging and act accordingly.
- The aerosol should have room temperature
- Best processing temperature 10 to 25°C.
- Before use, shake the aerosol.
- To prevent scratches, remove loose dirt with a soft brush
- Apply stainless steel cleaner in an thin, equal layer and allow to take effect.
- Remove the dirt with a clean cloth.
- Polish to gloss with a dry, clean cloth.

#### Environmentally sound

European Aerosols is committed to apply formulations without restricted or critical ingredients and to achieve best possible performance. The caps and packagings are made of recyclable material.

#### Disposal

Only the completely emptied cans should be put into the recycling skip or appropriate container for reclaimable refuse. Cans which are not empty should be disposed off as "special refuse".

#### Marking/Labelling

All products made by European Aerosols comply with the actual labelling regulations according to Preparation Guideline 1999/45/EG. All aerosols correspond to TRGS 200 and TRG 300 as well as to aerosol guideline 75/324/EWG in the actually valid version.

For any further technical questions call our hotline +31 (0) 561 69 44 00 from Monday to Thursday from 9 h a.m. to 3 h p.m. or on Friday until 12 h p.m.

**As of June 10, 2022** – This release replaces all eventually earlier issued versions.
