

MOTIP Colour Renovator

Ord.-no.: 000741

Technical Information

Restore the original colour of your car easily with MOTIP Colour Renovator. This polish restores the gloss and colour of weathered lacquered surfaces on your car, both metallic and non-metallic. Colour Renovator has excellent polishing properties and protects against the weather. Colour Renovator gives a glossy result and restores the original colour. MOTIP Colour Renovator reduces the adhesion of dirt and contains silicones.

Environmentally sound

European Aerosols is committed to apply formulations without restricted or critical ingredients and to achieve best possible performance. The caps and packagings are made of recyclable material.

Disposal

Only the completely emptied cans should be put into the recycling skip or appropriate container for reclaimable refuse. Cans which are not empty should be disposed off as "special refuse".

Marking/Labelling

All products made by European Aerosols comply with the actual labelling regulations according to Preparation Guideline 1999/45/EG. All aerosols correspond to TRGS 200 and TRG 300 as well as to aerosol guideline 75/324/EWG in the actually valid version.

For any further technical questions call our hotline +31 (0) 561 69 44 00 from Monday to Thursday from 9 h a.m. to 3 h p.m. or on Friday until 12 h p.m.

As of June 10, 2022 – This release replaces all eventually earlier issued versions.
