

MOTIP E-Bike Electro Protect

Ord.-no.: 000287

Technical Information

Protect the battery and other electrical systems on your electric bike with MOTIP Electro Protect. E-Bike Electro Protect is a protective spray that shields electrical systems from moisture. E-Bike Electro Protect is both moisture- and water-repellent. E-Bike Electro Protect has a very good adhesion and anti-corrosion effect.

Quality & properties

- Water-repellent
- Moisture repellent
- Good penetrating properties
- Excellent adhesion
- Excellent corrosion prevention
- Resistant to water, salt and weak acids and bases

Physical & chemical data

- Base: Mineral oil
- Colourname: no colour
- Smell: Characteristic
- Surfaces: Switches, Plugs, Cables (Bike)
- Minimum Working Temperature: 10 °C
- Maximum Working Temperature: 25 °C
- Vapour pressure: 3500/20 bar
- Relative density: 0.8 g/ml
- Storage stability: 10 m
- Content: 200 ML

How to use

- Before use, carefully read the directions on the packaging and act accordingly.
- The aerosol should have room temperature.
- Best processing temperature 5 to 30°C.
- Before use, shake the aerosol.
- Switch off electrical installations before treatment.
- The parts to be treated must be clean, dry and free of grease.
- Apply E-Bike electro protect.

Environmentally sound

European Aerosols is committed to apply formulations without restricted or critical ingredients and to achieve best possible performance. The caps and packagings are made of recyclable material.

Disposal

Only the completely emptied cans should be put into the recycling skip or appropriate container for reclaimable refuse. Cans which are not empty should be disposed off as "special refuse".

Marking/Labelling

All products made by European Aerosols comply with the actual labelling regulations according to Preparation Guideline 1999/45/EG. All aerosols correspond to TRGS 200 and TRG 300 as well as to aerosol guideline 75/324/EWG in the actually valid version.

For any further technical questions call our hotline +31 (0) 561 69 44 00 from Monday to Thursday from 9 h a.m. to 3 h p.m. or on Friday until 12 h p.m.

As of August 17, 2022 – This release replaces all eventually earlier issued versions.
