* All products manufactured/imported by European Aerosols in Wolvega as supplied comply with EU legislation where applicable, up to and enclosing the last amendments. For a full statement we refer to our Declaration of conformity.

** Our products do not contain substances mentioned on the Candidate List of Substances of Very High Concern (SVHC) or on the SVHC-Proposal List, up to and including the last amendment, in an amount of 0,1% or higher. If a substance is in the product in an amount of 0,1% or higher applicable exceptions are mentioned in the corresponding SDS.

The information in this document is based on the information and knowledge available to us at the date of creation. Based on the information received from our raw material suppliers all substances used in our products are registered or exempt from registration according to REACH Regulation 1907/2006/EC.
